Sir:

REQUEST FOR CORRECTED NOTICE OF ALLOWANCE AND FEE(S) DUE

By an amendment filed February 9, 2005, the title of the subject application was amended as follows:

METHOD OF INSPECTING INSULATORS TO DETECT DEFECTS INCLUDING
MEASURING LEAKAGE CURRENT FLOWING THROUGH THE INSULATOR

However, the Notice of Allowance and Fee(s) Due form PTOL-85 mailed March 4, 2005 refers to the original title of the application and not the title as amended on February 9, 2005. It is noted in this regard that the title was amended in response to an objection by the Examiner and requirement for a new title. It is therefore respectfully requested that a corrected Notice of Allowance and Fee(s) Due be issued reflecting the current, corrected title of the invention, or that the Examiner otherwise issue a Communication confirming that the title has been updated and that the Patent

HORI, K.
Appl. No. 10/660,665

as granted will have the amended title. Should there be any questions in regard to this request, please contact the undersigned at the number indicated below.

Respectfully submitted,

NIXON & VANDERHYE P.C.
